

**FARMERS
REPUBLIC**
of Greece

THE BEST FOOD FROM SMALL GREEK FARMS

Farmer's Republic has brought together the very best small batch food producers from all of Greece

Sustainable methods of farming is a key factor in our search for exceptional foods with respect for the environment while providing fair trading conditions towards the producer.

We offer limited edition products of guaranteed quality with high nutritional value, heritage and time-honored methods of production.

**WE CAPTURE
THE ESSENCE OF
GREEK FOOD**

The Mediterranean diet has long been associated with good health and longevity.

We've supplemented this revelation with our sun, sea, wind and diversity of terrain contributing to creating unique tastes and flavors throughout the whole region. This variety of quality ingredients, together with knowledge passed on over the centuries has created a rich food culture with each region having its topical distinct flavours.

SUSTAINABLE METHODS OF FARMING WITH RESPECT FOR THE ENVIRONMENT

HIGH NUTRITIONAL VALUE & TIME-HONORED METHODS OF PRODUCTION

We explore and collaborate
with producers who make the
extra effort

who prefer quality to quantity, who have a sense
of pride for what they do and do it with passion.
These are the special pockets of producers we seek
out and bring together as one outstanding
collection of goods.
